Españia provides an all-day bilingual program in the languages listed below. Bilingual classes open automatically for selection and selection classes open according to interest. If you are interested in a class in the second column (according to interest), you can select it, but also write the class that we open automatically in parentheses so that you do not lose space if the selection class does not open.

Bilingual classes opened automatically:

- Spanish – English class
- Chinese – English class

Selection classes according the interest:

- Chinese – Spanish - English class
- English class

Hereby, I request my child to be accepted in the following language combination:

.....

What is the native language of your child?

.....

Has your child attended a nursery or kindergarten before?

If yes, for how long ?

Has your child learnt any other languages ? If yes, please, write them down.

.....

For how long and in which way or with which person

Who does the child spend the most time with?

What is the general temperament of the child ?

.....

Is there any health or educational issue, special need or restriction (regarding food, allergies, medicine) or family information that is important for us to know before the child starts attending the kindergarten?

.....

.....

.....

Your questions or other requests regarding the application:
